

# PROCEDURE LIST

## CLASS OF 2012

<u>Level of Participation</u>	<u>Responsible Department -Procedure</u>	<u>Number Required for Completion</u>	<u>Accepted Alternative Encounters</u>
Performance Required	ER - Foley Catheter Insertion- Female Performance	3	
Performance Required	ER - Foley Catheter Insertion- Male Performance	3	
Performance Required	ER - Intravenous Line Placement Performance	5	Model
Performance Required	ER - Venipuncture Performance	3	
Performance Required	FM - Breast Exam Performance	3	
Observation Required	FM - Electrosurgical/Cryosurgical Removal of Skin Lesions Observation	1	
Observation Required	FM - Injections, Intradermal Performance	3	
Performance Required	FM - Injections, Subcutaneous Performance	3	
Observation Required	FM - Joint Aspiration Observation	1	Video
Performance Required	FM - KOH Preparation Performance	1	
Observation Required	FM - Skin Biopsy (Punch, Resection) Observation	1	
Performance Required	FM- Injections, Intramuscular Performance	3	
Observation Required	IM - Abdominal Paracentesis Observation	1	Video
Interpretation Required	IM - Echocardiography, Interpretation	1	
Interpretation Required	IM - EKG Interpretation	5	
Performance Required	IM - EKG Lead Placement Performance	1	
Observation Required	IM - Exercise Stress Test Observation	1	
Observation Required	IM - Flexible Bronchoscopy Observation	1	
Observation Required	IM 4th Year - Spirometry Observation	1	
Observation Required	IM 4th Year - Thoracentesis Observation	1	Video
Interpretation Required	IM 4th Year - Ventilator Management Interpretation	1	
Performance Required	OBG - Antepartum & Intrapartum Fetal Assessment Performance	3	
Observation Required	OBG - Cesarean Section Observation	2	
Observation Required	OBG - Colposcopy & Cervical Biopsy Observation	1	

<u>Level of Participation</u>	<u>Responsible Department -Procedure</u>	<u>Number Required for Completion</u>	<u>Accepted Alternative Encounters</u>
Observation Required	OBG – Perineal Laceration Repair Observation	1	Model
Observation Required	OBG - Hysterectomy Observation	1	
Observation Required	OBG - Hysteroscopy w/Dilatation & Curettage Observation	1	
Observation Required	OBG - Laparoscopy Observation	1	
Observation Required	OBG - Newborn Circumcision Observation	1	
Performance Required	OBG - Pelvic Exam with Pap Smear Performance	3	
Performance Required	OBG - Pelvic Exam with Vaginal Smear Wet Prep Performance	3	
Performance Required	OBG - Pelvic Examination, Obstetrical Performance	3	
Observation Required	OBG - Tubal Sterilization Observation	1	
Observation Required	OBG - Ultrasound, Obstetrical Observation	1	
Observation Required	OBG - Vaginal Delivery, Normal Spontaneous Observation - Simulator	3	
Observation Required	PED - Lumbar Puncture Observation	1	Model
Performance Required	PED - Newborn Examination, Performance	3	
Performance Required	PED – Newborn Hip Examination, Performance	1	Model
Performance Required	PED- Throat Swab Performance	1	
Observation Required	PSI – Alcoholics Anonymous Observation	1	
Observation Required	PSI – Electroconvulsive Therapy Observation	1	Video
Performance Required	PSI - Mental Status Exam Performance	3	
Performance Required	NEU-Neurological Exam-Conscious Patient	1	
Performance Required	NEU-Neurological Exam-Comatose Patient	1	
Observation Required	PSI – Psychological Testing Observation	1	
Performance Required	PSI – Suicide Assessment Performance	1	
Observation Required	SUR - Breast Biopsy Observation	1	
Observation Required	SUR - Colonoscopy Observation	1	
Performance Required	SUR - Digital Rectal Exam Performance	3	
Observation Required	SUR - Endoscopy Observation	1	
Observation Required	SUR - Incision & Drainage Observation	1	

<b><u>Level of Participation</u></b>	<b><u>Responsible Department -Procedure</u></b>	<b><u>Number Required for Completion</u></b>	<b><u>Accepted Alternative Encounters</u></b>
Performance Required	SUR - Laceration Suturing Performance	3	
Performance Required	SUR-Laryngeal Mask Airway	3	
Observation Required	SUR - Mammogram Observation	1	
Performance Required	SUR - Nasogastric Tube Placement Performance	3	
Performance Required	SUR - Sterile Technique (e.g. Gloving, Change Sterile Dressing) Performance	3	
Performance Required	SUR - Testicular & Hernia Exam	3	
Performance Required	SUR - Universal Precautions (Handle infectious products) Performance	3	
Observation Required	SUR 4th Year - Arterial Line Placement Observation	1	
Observation Required	SUR 4th Year - Arterial Puncture Observation	1	
Observation Required	SUR 4th Year - Central Line Observation	1	Model
Observation Required	SUR 4th Year - Endotracheal Intubation Performance	3
